

moto g

Exceptional phone. Exceptional price.

Moto G has a big, brilliant HD display that's the **sharpest in its class**. It runs on **Android™ 4.4, KitKat®**, and comes with a guaranteed upgrade. Multitasking is fast with a **quad-core processor** with **built-in 4G LTE** and you don't have to worry about charging because the **battery lasts all day**¹. You can change your phone to match your style with **replaceable back covers**.

Big HD display and built to last

- Sharp 4.5" HD screen and scratch-resistant display.
- All-day battery life.
- Easy to use with one hand because of how it's curved.

Latest Android and fast processor

- Runs on Android™ 4.4, KitKat®, and comes with a guaranteed upgrade².
- Android OS provides easy access to Google Mobile™ Services and more than one million apps on Google Play™.

- Fast multitasking with a Qualcomm® Snapdragon™ 400 quad-core processor with built-in 4G LTE.
- Stream YouTube™, surf the web and use Google Maps™ without slowing down.

- Touch anywhere to take a photo.
- Record HD video.
- Video chat with the front-facing camera.

Spend less time waiting and more time enjoying with 4G LTE.

Switch to web browsing, switch to Google Maps.

Tap anywhere to take a photo, show taking a picture while recording video, front-facing camera.

Options of available backs online (Motorola Shells, Motorola Flip Shells and Motorola Grip Shells).

Extras

You don't have to lose your stuff when you buy Moto G. Just move your photos, videos, SIM contacts and even your call and text history from your old Android phone in just a few steps. No wires needed. Motorola Migrate now supports iPhone® contact and calendar transfers in a few easy steps.³

Your Moto G knows when it shouldn't bother you - like when you're sleeping or in a meeting. With Motorola Assist, you can set actions and exceptions so they work exactly how you want them to.

Plug in your headphones* to listen to FM Radio.

* Wired headphones (sold separately) are required for use.

Get additional memory with a microSD card* (up to 32GB).

* MicroSD card sold separately.

Certain features, services and applications are network dependent and may not be available in all areas; additional terms, conditions and/or charges may apply. All features, functionality and other product specifications are subject to change without notice or obligation. Contact your service provider for details.

¹ All battery life claims are approximate and based on an average user profile that includes both usage and standby. Actual battery performance will vary and depends on signal strength, network configuration, features selected, and voice, data, operating temperature and other application usage patterns.

² If compatible, your device will receive one major system update shortly after a new version is released.

³ Motorola Migrate can transfer data from devices with Android™ 2.2, FroYo and newer. It can also transfer contacts and calendar events from iOS devices that support iCloud®.
